Participants of subsidiaries newly acquired through merger, stock purchase, exchange of stock, or otherwise, shall be insured under this Certificate, subject to the following conditions:

1. the Certificate holder has at least 50% controlling interest in the subsidiary.
2. if the subscriber/affiliate/subsidiary is less than 100 lives, the Certificate holder is not required to notify Us until the end of the Certificate Term, unless the subscriber/affiliate/subsidiary is greater than 10% of the current population that is insured under this Certificate.
3. an additional premium payment is required with a report to Us and the name of any newly acquired subsidiary.
4. necessary underwriting information must be furnished for Us to determine the additional risks assumed.
5. coverage will begin on the legal date of acquisition.

No coverage shall continue for more than 60 days after the legal acquisition date unless the required report with the necessary data is supplied and the additional premium paid. The Certificate holder shall be liable for payment of premium for the period during which such coverage remains in effect

CERTIFICATE TERMINATION: We may terminate coverage on or after the anniversary of any premium due date. The Certificate holder may terminate its coverage on any premium due date. Written notice must be given at least 31 days prior to such premium due date.

CONFORMITY WITH STATE STATUTES: Any provision of this Certificate in conflict, on the Effective Date of this Certificate, with the laws of the state where it is delivered, is amended to conform to the minimum requirements of such laws.

CLERICAL ERROR: Clerical errors that We or Our authorized administrator make in Your Overview of Coverage, the issuance of a Certificate, or in record keeping will not afford You benefits or validate insurance for which You have not applied and paid the appropriate premium and been approved by Us. We have the right to offset or recover from You any overpayment of benefits made due to such errors.

NON-WAIVER: If We or You fail to enforce or to insist on strict compliance with any of the terms, conditions, limitations or exclusions of this Certificate, that will not be considered a waiver of any rights under the Certificate. A past failure to strictly enforce the Certificate will not be a waiver of any rights in the future, even in the same situation or set of facts.

CLAIM PROVISIONS

NOTICE OF CLAIM: Written notice of claim must be given to Us within 60 days after a Covered Loss occurs or begins or as soon as reasonably possible. Failure to give notice within such time shall not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible. Notice can be given at Our administrative office as shown on the cover page or to Our agent. Notice should include the Certificate holder's name and number and a Covered Person's name and address.

CLAIM FORMS: When We receive the Notice of Claim, We will send forms for filing Proof of Loss. If claim forms are not sent within 15 days after notice is given, the proof requirements will be met by submitting, within the time required under Proof of Loss, written proof describing the occurrence, nature and extent of the loss.

PROOF OF LOSS: Written Proof of Loss must be furnished to Us in the case of a claim for loss for which this Certificate provides periodic payment contingent upon continuing loss within 90 days after the end of the period for which We are liable. Written proof that the loss continues must be furnished to Us at intervals required by Us.

In case of claim for any other loss, proof must be furnished within 90 days after the date of such loss.

If that is not reasonably possible, We will not deny or reduce any claim if proof is furnished as soon as reasonably possible. Proof must, in any case, be furnished not more than a year later, except for lack of legal capacity.

TIME OF PAYMENT OF CLAIMS: Benefits due under this Certificate for a loss, other than a loss for which this Certificate provides installments, will be paid immediately upon receipt of due written proof of such loss. Subject to written Proof of Loss, all accrued benefits for loss for which this Certificate provides installments will be paid monthly. Any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of a written Proof of Loss, unless otherwise stated in the Description of Benefits.

FOREIGN CLAIMS: Claims incurred outside the United States and its territories and jurisdictions must be submitted in English or with an English translation. Foreign claims must include the applicable medical records in English to show proper Proof of Loss.

PAYMENT OF CLAIMS UPON LOSS OF LIFE: Benefits for a Covered Person's loss of life will be paid to the beneficiary named in Our records, if any, at the time of payment. The benefits can be paid in one sum or, at a Covered Person's written request, in accordance with one of Our settlement plans. If a Covered Person has not requested any settlement plan, the beneficiary can do so in writing after a Covered Person's death. If there is no named beneficiary or surviving beneficiary, a Covered Person's loss of life benefits will be paid in one sum to the first surviving class of persons following in the order shown below:

1. the beneficiary named to receive a Covered Person's proceeds;
2. Spouse;
3. Child or Children;
4. mother or father;
5. sisters or brothers; or
6. the estate of a Covered Person.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay up to \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. This good faith payment satisfies Our legal duty to the extent of that payment.

Any other accrued benefits which are unpaid at a Covered Person's death may, at Our option, be paid either to his or her beneficiary or to his or her estate.

OTHER BENEFITS: All other benefits will be paid to the Covered Person, if he or she is living. If not, We will pay his or her beneficiary or his or her estate.

CHANGE OF BENEFICIARY: The Covered Person can change the beneficiary at any time by giving Us written notice. The beneficiary's consent is not required for this or any other change which a Covered Person may make unless the designation of beneficiary is irrevocable or otherwise required by law.

PHYSICAL EXAMINATION AND AUTOPSY: We will pay the cost and have the right to have the Covered Person examined as often as reasonably necessary while the claim is pending. We can have an autopsy made at Our expense unless prohibited by law.

RECOVERY OF BENEFITS: Within 18 months of payment of a claim, and at any time if the Covered Person does not provide complete information, was not eligible for coverage, or material misstatements or fraud have occurred, We reserve the right to recover from a Covered Person any benefits We have paid to him or her for injuries:

1. received in an Occurrence; and
2. which are covered under:
 - a. Workers' Compensation or similar statutory remedies available under law; or
 - b. any employer's liability Insurance.

It will be assumed that the Covered Person is in receipt of such benefits unless he or she gives Us proof such benefits have been denied to him or her.

SUNSET CLAUSE: We will cover the losses described in the Certificate occurring during the Certificate Period provided that such losses are reported to Us within thirty-six (36) months from the Expiration Date or the date the Certificate is canceled, whichever is earlier. Losses reported after such date, even if You only become aware of the loss after such date, are not eligible for indemnification under this Certificate.

SUBROGATION: If We have paid benefits to a Covered Person for Injuries received in an Occurrence, and in Our opinion a third party may be liable, We will be subrogated to the extent of such payment and to all of the rights of the Covered Person regarding the recovery of benefits paid or to any settlement or judgment which results from the exercise of these rights. The Covered Person agrees to sign papers and do whatever else is necessary to transfer his or her rights to Us. We will exercise such rights on his or her behalf. He or she further agrees to furnish Us with all relevant information and documents.

LEGAL ACTIONS: No action at law or in equity shall be brought to recover benefits under this Certificate less than 60 days after written proof of loss has been furnished as required by this Certificate. No such action shall be brought more than 3 years after the time written proof of loss is required to be furnished.

COMMUTATION CLAUSE: All claims under this Certificate, if any, may at Our option, be commuted thirty-six (36) months after the end of the Certificate Period. You will submit a list of all claims under the Certificate thirty (30) days prior to the commutation date. The claim listing You provide must include all pertinent information necessary to arrive at a valuation of all claims. The claim listing You provide will be submitted to an actuary or appraiser mutually acceptable to both You and Us to determine the discounted net worth of all claims. We will pay You the discounted net worth of each claim, subject to the Certificate's Limits of Insurance, within thirty (30) days of receipt from the actuary or appraiser.

If the actuary or appraiser cannot be agreed upon by both You and Us, each will appoint its own actuary or appraiser who will, in turn, appoint an independent actuary or appraiser who will establish the discounted net worth of each claim. We will pay You the discounted net worth of each claim, subject to the Certificate's Limits of Insurance, within thirty (30) days of receipt from the independent actuary or appraiser.

Payment by Us to You in accordance with this provision will constitute a complete and final release of all present or future, known or unknown claims under the Certificate.

ARBITRATION: Any disputes arising out of or relating to this Certificate, including its formation and validity, shall be referred to arbitration. The arbitration shall be held in New Jersey, or such other place as the parties may mutually agree. Notwithstanding the location of the arbitration, all proceedings pursuant hereto shall be governed by the law of the State of New Jersey. The arbitration shall be conducted in accordance with the ARIAS U.S. Neutral Panel Rules for the Resolution of U.S. Insurance and Reinsurance Disputes.
